

Caleb Greenwood Access & Admissions Policy

Caleb Greenwood Access & Admissions Policy Statement

As a California public school, Caleb Greenwood provides free and public access to the International Baccalaureate Primary Years Program for all enrolled students residing within our attendance boundaries. Our inclusive, rigorous and transformative Primary Years Program is implemented for all students, by all staff members, across all grade levels and subjects. Materials, resources and supports required to access the programme are continually adjusted for learner variability and provided to all students.

Sacramento City Unified School District Enrollment

Each child has the right to a free public education regardless of immigration status or religious beliefs. Elementary, middle, and high school students are assigned to a designated neighborhood school based on where the student lives, as long as the school offers the services the student needs.

Each neighborhood school has a defined geographic boundary and is intended to serve the students who live within that geographic boundary. Families are required to go to the Enrollment Center, which is a one-stop resource, to complete the registration and enrollment process. Families are able to enroll students, submit transfer and open enrollment applications, have questions answered, receive pre-testing services, and benefit from the on-site immunization clinic.

The Enrollment Center ensures fairness and equity in the treatment of families and allows central monitoring of enrollment and intra- and inter-district permits. It also provides an opportunity to consolidate services and create a more efficient enrollment process, as Enrollment Center staff is highly trained and knowledgeable in all processes and procedures.

NON-DISCRIMINATION Title VI of the Civil Rights Act of 1964 and Title IX of the Education Amendments of 1972 prohibit discrimination on the basis of race, color, national origin, or sex in federally financed education programs or activities. The district does not discriminate in admission or access to its programs or activities.
